SECTION TWO – COMPANY INTRODUCTION

1. Introduction. Established in 2002 and located in San Antonio, Texas, Fidelity is a Certified SBA 8(a), Minority-Owned, SBA Certified Small Disadvantaged Business firm, specializing in medical contracting, recruiting, staffing, manufacturing, and ancillary services offering mission support solutions for both Government and private sector hospitals, clinics and other healthcare facilities offering a wide variety of both clinical acute and non-acute specialties including: nurses, physicians, pharmacists, occupational health, administrative personnel, dental services and other allied health professionals. Fidelity has recruited and staffed hundreds of medical professionals nationwide for commercial clients as well as for the Department of Defense including the US Army and Air Force. Fidelity is a strong, viable market leader and trusted partner with a proven track record, proven market knowledge, an aggressive, comprehensive approach to recruitment with unsurpassed client support and employee retention.

Fidelity is strongly committed to providing industry's best standards of practice as well as viable and obtainable options for its clients and contract requirements. Additionally, Fidelity is dedicated to reducing costs and risks while increasing productivity and mission success.
